[Dr. Doom]

Yeah, and you say! (1 Adam 12, all cars)  
From the streets (assailant seen carrying two tec-9's)  
This is what's goin on (and several semi-automatic  
machine guns)  
(Everybody get extreme from backup)  
The revolution will not be televised (I got some snipers)  
(Bring on the whole..)

[Motion Man]

Aqua gill leg, shark bite, beach towel  
Bay Area conquistador, negro reservation  
Sniper tree trunk squirrel monkey agility  
Ultimate Fight night, pay per view ability  
Angel flight superhero, platform shoes  
Stomp down, return smacks, sniffin afro hairy chest  
Being, often seen, the Atlantic ocean, scared of motion  
Bulletproof flips, I'm slappin 'em, you shoot your best  
shot  
Roll the pearl, all world, lovin Oakland girls  
Vinny Testaverde style, I'm tossin balls dirty  
All form in swim, telepathic with amphibians  
Avenue warlord, I'm at the public sellin fat sacks  
Pockets on double, profit will triple  
Keep my piece tucked, low-plated nickel  
Bullets hit me they tickle, actual Terrordome  
Tossed my hall door keeper  
Italian, Columbian, Chinese black afro gangster  
Authentic ball collector, Euro-Asian afrocentric  
Bohemian being, third busted eye seeing  
Nada on papi, boil latte in the chrome  
My folks'll ride yo, down with Nicky, Custom Auto  
Able access, dislocate my larynx  
Change my vocal from millld to loco  
Half African, wild lion cheetah spotted  
Connect the dots, gazelle gallop, wolf kick

[Chorus 2X: Dr. Doom] + (Motion Man)

Brothers from the housing authority!  
(No heat and hot water, cold freezing every evening)  
Brothers from the housing authority!

(Naked roaches and stank humans, unhygienal ruins)

[Dr. Doom]

Rappin out warlord, Dr. Doom, from the Bronx  
Rappers get petrol, see me with the black afro  
Project invader, squad lights in the elevator  
Cross-Bronx Express, mack 11 bulletproof vest  
One-seventy street with Tony Lou, loadin big heat  
Victor Convelta DiSanchez, with Rosey Perez  
One for the road, with goosedown sportin stick-up kiko  
Dominican fly girls, with Bobby Jo, rockin escrows  
Westside highway callin OJ cabs, doin it my way  
People with masks robbin Brinks trucks out in Jersey  
Nobody's nervous rockin freestyles, chocolate Hershey  
Servin quarters up on the concourse, like James Worthy  
Feathers with Stetson, my nickname, George Jetson  
Right in the baby doll with treasure under Taft High  
School  
RICO squealed, neck broke, in a twelve D pool  
Usin the infrareds and waterbeds, chewin Big Red  
Out of the strange Diamond District, missin big rings  
We doin big things, I'm out of here like Vladamir  
Devestation equation, information for the crack patient  
Y'all will feel my abrasion

[Chorus]

[Dr. Doom]

Back off probation, bailin Frank out from Rahway State  
Suckers see Flintstone, smokin wheat with Mr. Slate  
Action you pack up, in Ziplocks, you bring yo' bag up  
Open the first one, rehearsal, I'm bound to hurt you  
Bust out yo' briefcase, you and your wife start to  
freebase  
Break our your mansion, I'm on the phone with Charlie  
Manson  
With porno tapes, jerkin hard off to Kristy Canyon  
You need to convert a witness, 20 different Bronx  
murders

[Motion Man]

Angles trap home arrest, hangin feet up out the  
window  
I strike the National Guard, the helicopter light  
Shaggy and Scooby, with Velma Daphne laughin at me  
Mystery Machine sittin lowered with, trues and Vogues  
Miami bass bump "Ghetto D," advocated  
Spider-Man suction upside down, on the elevator  
Porno star hold up, my stroke's worth too much  
Just for a brush, I need ten grand, for the rush

[Chorus]
