She said I'm not pointing fingers
He said yes you are cause you wouldn't bring it up if
you weren't
If I told you I'd been walking out in the dark night
thinking
Would you take this truth, this alcoholic's word
Oh I can't change whats done is done
But I can tell you this
Not a day goes by that I don't curse myself and all my
sins
And I need you to hold on to while this part of me is
dying
Though I haven't kicked the demons that haunt me
I'm trying, I'm trying

She sat down on the floor and said I wish that I were
stronger
Right now I feel as fragile as glass
And I want to believe you
Believe whats held you has freed you
And I hate these doubts that keep on coming back
My parents think I'm crazy for staying here this long
But there's nothing more I want for us than to prove to
them they're wrong
I don't wanna to be afraid I don't wanna think your lying
and though I haven't found the faith that I need
I'm trying, ooh I'm trying

He asked, Do you want me to leave
Cause if you do you know I will
But she said much to his disbelief
No, I love you still
Oh I love you still

He said I don't know why I've been the fool
But I can tell you this
Not a day goes by that I don't curse myself and all my
sins
Then he dropped down to his knees
By now they both were crying
He said I haven't been the man I wanna be

But I'm trying, I'm trying
Ooh I'm trying, Oh I'm trying
