I know that every morning you go thumbin'
Through the personal want ads
You grab the latest copy, a cup of coffee
And settle in for a good laugh

I've been trying to catch your eye but
I'm so shy, I'm hopin' and prayin' that
Today's edition is gonna catch your attention

'Cause there's a single white female
Looking for that special lover
To put it in a nutshell
A one women man who doesn't want no other

Oh, you never can tell
She just might be your dream come true
A single white female
Is looking for a man like you

Yeah, I'm a little nervous, I'm not sure if
I shoulda put it in writing
It might have been a little reckless
A little desperate but I think I did the right thing

I couldn't go on living keep it hidden
So I'm telling you everything

It's my confession I hope you get the message

There's a single white female
Looking for that special lover
To put it in a nutshell
A one women man who doesn't want no other

Oh, you never can tell
She just might be your dream come true
A single white female
Is looking for a man like you

It's my confession I hope you get the message
That there's a single white female
Looking for that special lover

To put it in a nutshell
A one women man who doesn't want no other

Oh, you never can tell
She just might be your dream come true
A single white female
Is looking for a man like you
Looking for a man like you, mmmm

Ooh yeah, looking for a man like you
