Wouldn't it be cool if all the supermodels tried to look like me?

And wouldn't it be cool if someone's character?

Was something you could see

Wouldn't it be cool if I could fly?

Get a new perspective from the sky

Ooo, wouldn't it be cool

Wouldn't it be cool if I could do long division in my head?

Wouldn't it be cool if I didn't have to edit what I said?

Wouldn't it be cool if life was fair?

When someone says, "I love you", they will always be there

If one day you beg and plead for me to take you back
I would be so unaffected, I would simply laugh and laugh

Wouldn't it be cool, cool?

Wouldn't it be cool if I could catch you at a restaurant with her

And wouldn't it be cool if I was strong enough to muster up the nerve

To tell her all the secrets that we had

Just to see you squirm and feel as bad as I do

Wouldn't it be cool?

If one day you beg and plead for me to take you back
I would be so unaffected I would simply laugh and laugh

Wouldn't it be cool, cool?
