Far Far Away (You feel) Far Away. (You Seem) Far
Away.. So So (x2)
Hopeless!
I can spell it
I can smell it in the air
Lotta people wonder if you still care
And are you still there
Cuz I dun lost it all
I keep calling your name
But do you hear my call
And are you still involved
Or am I left alone
I wander the streets
Cuz I no longer have a home
My brothers all GONE
My sisters all GONE
My families and my friends aint gonna be here in the
Mornin
Ya see me hear mourning
They say you feel my pain
They say you went through it
Say to die is to gain
But I aint gain nothing
I lost everybody
Now Im losing my mind
And my faith is all Im counting
Im still holding on
Thats why Im still pray
Feelin empty inside
I cant make it through today
I dont know what else to do
I dont know what else to say
Im talking to ya now
But I promise you feel so far
Far Far Away (You feel) Far Away. (You Seem) Far
Away.. So So (X4)

Dear hope: Been waitin on ya for a while now
Been cut so deep that I aint sure if I can smile now
Look at this devastation
Look at the pain and sorrow
Somebody fed me lies and promised me a bright

tomorrow
I know the God I follow
Is bigger than disaster
Big enough to handle
Any evil that harasses us
But I feel like he passed us
Pain overtook us
Buildings tumble over head
As the ground shook us
God have you forsook us
Lord you still with me
I know you save souls
I trust you to forgive me
Relief can you hear me
Hey Rest can you get me
Hey Peace can you see me
Hey love can you heal me
I dont know what to do
I aint looking for answers
I just need you to hold my hand
Through this cancer
Tell me you never left
Even in the midst of death
Breathe on me I'll do anything to feel your Breath

Far Far Away (You feel) Far Away. (You Seem) Far
Away.. So So (X4)

(PSALMS 62:5-8)

5. For God alone, O my soul, wait in silence,
for my hope is from him.

6. He only is my rock and my salvation,
my fortress; I shall not be shaken.

7. On God rests my salvation and my glory;
my mighty rock, my refuge is God.

8. Trust in him at all times, O people; pour out your
heart before him;
God is a refuge for us.

(Far far away.) Hes not (Far Away) No hes not (Far
Away) Our Gods not Even though he seems
