Lord have mercy and pity on your son
From what I once was to what I have become
Lord have mercy I-I-lord have mercy
L-I-lord have mercy and pity on your son

Lecrae:

Dark Past full of evil endeavors
Heart clean never
Black and ugly as ever
However, I seen my family die from them rocks
Them ?beans? on blocks
Including my own pops
Homie I seen two much
To drink them two cups
They lean all the lean
Already way too screwed up
Was way to gone
I was way to cold
Fifty yard hail mary
I was way to thrown
I was Tarzan
Raised by gorillas and the piece
High on them trees
When I gorilla the beast
Then that truth came, hit me
Took me outa my grave
All my partners say I'm changed
How I'm going stay the same, huh?!

No Malice:

Lord have mercy and pity on your son
From what I once was to what I have become
Lord have mercy and pity on your son
From what I once was to what I have become
Lord have mercy Lord have mercy
L-I-lord have mercy I-I-lord have mercy
L-I-lord have mercy and pity on your son

Tedashii:

Killa, tryina murder it
Chasing ladies down for fun
Saying, "Come with me"
Hail mary but then kill the son
However, I seen them boys mane
?Take that bar way and God say?
?But beast boy he still took three the hard way?
Toss me out ?hard I went?
Crucifix no jewelry
These wooden beams
He took from me
Took 'em up to Calvary
While I was a DGK
Whylin out to UGK
Runnin from the HPD
Huffin puffin mary jane
No ?grip? chains mane
I was looking for a super freak
Nasty, ?cameo?, candy super sweet
But now your boy turnt up
Free from all them chains
?Folowin all ten?
You can call it unashamed

No Malice:

Lord have mercy and pity on your son
From what I once was to what I have become
Lord have mercy and pity on your son
From what I once was to what I have become
Lord have mercy and pity on your son
From what I once was to what I have become
Lord have mercy l-l-lord have mercy
L-l-lord have mercy and pity on your son

Lecrae:

Now I'm turnt up daily
I'm on my one-eighty
They thought I'd water down
I'm like boy y'all crazy
On my ?J.O.?, my Oj Mayo
I'm on my Grizzly
Jesus turned me around me so fast
That you would swear I was dizzy
Now they askin, "who is he?"
Now they wonderin my name
I run in my own lane
Screaming "Jesus is King!"
Till my heart stop pumpin
No more blood in my veins
Watch me turn up everyday

Homeboy I'm so unashamed!
Turnt up boy turnt up boy
Turnt up boy turnt up
Turnt up boy turnt up boy
Turnt up boy turnt up
Turnt up boy turnt up boy
Turnt up boy turnt up
Turnt up boy turnt up boy
Turnt up boy turnt up

No Malice:

Lord have mercy and pity on your son
From what I once was to what I have become
Lord have mercy I-I-lord have mercy
L-I-lord have mercy and pity on your son
