Yeah
I got a question
after the show
after the set
after the music stops
what's next? Are we just writing songs or are we
concerned
with uniting a people to follow the great commission of
Christ.
Yeah let's get it
let's go...

Back in the day I was a lunch line rapper
after that I guess I was a punch line rapper
then I got saved and sometime after
ya boy came back as a frontline rapper
and when I say the frontlines
that's not a front line
I'm out here preachin' Christ on the frontlines
and no it ain't about rockin' stages 'cause some of my
engagements
are out on the pavement yeah.
I'm out to take the bible
create disciples
who make disciples
disciple-cycles
that's why I want the beats to knock so after the music
stops
you can meet the Rock I pray
that you would know him well
this is like show and tell
it's more than a show
I'm showing you Emmanuel,
So yeah I'm hopin' that you're likin' the flow
but it's only so you could know that God I'm writing it
for... let's go

After the show
after the set
after the music stops what's next?
Will there be fellowship

prayer
disciples
will you open your Bibles after the music stops.
After it's over
after it ends
after the music stops
what then?
Will you understand that Christ is King?
Or will you just like the words we sing after the music stops.

I recorded a couple songs some fast some slow
so the listeners would know the importance of the show
the importance of the show not to excite these folks
but make God's truth relevant
ignite these folks.
Discipleship is our call but we make disciples
this is not a suggestion
create disciples. The teachin' is a process
it's not overnight and it's not a stage and a mic nah
it's life on life Christ -
Walked with twelve
ate with twelve
talked with twelve
shaped the twelve
invested in 'em well you could say that he made the
twelve.
Who made many more
who made plenty more
now it's on you and me if there's anymore.
1 teach
2 teach
3 teach
4 teach
5 teach
6 teach
7 teach more
this is what we've been commissioned
it's the reason why I write
so that you could hear the truth
not so you can say I'm tight whoa...

After the show
after the set
after the music stops what's next?
Will there be fellowship
prayer
disciples
will you open your Bibles after the music stops.
After it's over
after it ends

after the music stops
what then?
Will you understand that Christ is King?
Or will you just like the words we sing after the music
stops.

So
we write this for the right the speak of was righteous
and then we mic check for a culture who likes the
hopeness.
Some say we keep it crunk
some say we hype man; we just wanna pump
the resurrection of the Christ man.
We in the -burbs and the hoods that's hostile
we share a common view like synoptic Gospels
and you know we keep a couple young dudes around
us
and teach 'em the same truth God used to ground us.
This is a lifestyle so
when the mic's down I pray people follow Christ when
they turn the lights down. I pray that everybody playin'
this song
will be challenged by everything I had to say in this
song.
I don't do this for the money
I don't do this for fame
I don't do this so the industry can know my name
I do this in hopes to glorify Yeshua the King
if you're feelin' me you know you should be doin' the
same let's go...

After the show
after the set
after the music stops what's next?
Will there be fellowship
prayer
disciples
will you open your Bibles after the music stops.
After it's over
after it ends
after the music stops
what then?
Will you understand that Christ is King?
Or will you just like the words we sing after the music
stops.
