Hook (Mali Music):

Now, I'mma tell the world, tell 'em  
I'mma tell it everywhere I go  
Tell the world, tell 'em  
Yeah, I'm a billboard  
Tell the world, tell 'em  
And I'm broadcastin' like a radio  
Tell the world  
You ought to know, I'm brand new

Verse 1 (Lecrae):

I know one thing's true: I don't even really deserve to know you  
But, I-I'm a witness that you did this, and I'm brand new  
So, I-I'm read' to go, and I'mma tell the world what they need to know  
A slave to myself, but you let me go, I tried getting high but it left me low  
You did what they could never do  
You cleaned up my soul and  
Gave me new life - I'm so brand new  
And that's all that matters  
I-I ain't love you first, but you first loved me  
In my heart I cursed you, but you set me free  
I gave you no reason to give me new seasons, to give new life, new breathing  
But you hung there bleedin', and ya' died for my lies and my cheatin', my lust  
and my greed, (and Lord!)  
What is a man that you mindful of him?  
And what do I have to deserve this lovin'?

Hook (Mali Music):

Tryna make the moments last  
Holdin' on to the past  
But, like a hero in a dream  
Christ came, and he rescued me

Now, I'mma tell the world,  
Tell the world, tell 'em  
I'mma tell it everywhere I go  
Tell the world, tell 'em  
Yeah, I'm a billboard  
Tell the world, tell 'em  
And I'm broadcastin' like a radio  
Tell the world  
You ought to know, I'm brand new

Verse 2 (Lecrae):

I can't offer you nothin', but your care & kindness keeps comin'

And your love is so unconditional, I get butterflies in my stomach  
I got the old me in the rearview, now the new me got a clear view  
And I was so dead, I couldn't hear you, too deep in sin to come near you  
But you drew me in, you cleaned me up, so take me home, beam me up  
Before you do, just let me tell the truth, and let these folks know that I done seen  
ya' love

And it's everlasting, infinite, it goes on and on, you can't measure it  
Can't quench ya' love, they can't separate us from the love of God, there's no  
estimate

My face look the same, my frame ain't rearranged, but I'm changed; I promise I  
ain't the same

Your love's so deep you suffered and took pain, you died on the cross to give me  
a new name

Ain't nothing like I've seen before, I got a beaming glow

I was low, down, and dirty, but you cleaned me, Lord

You adopted me, you keep rocking me

I'mma tell the world, and ain't nobody stopping me!
