Turn the music up inside my session  
These folks gotta hear my message  
You put that beat on, I beat on this track to relieve my  
stressin'  
I see more trials than Cochran, while TV tryna' box me  
Them magazines ain't on my page, but ain't none of  
that gon' stop me  
Keep the fame and acclaim, I won't be a slave for a  
chain  
And why stay the same for the change, let's talk 'bout  
change for a change  
Mundane, killa' bang, sell cane for the gain, pump  
vanity in your veins  
No, they hopin' I quit, 'fact they hopin' I die, no, they  
hopin' I'm plain insane  
'Cause they know I ain't playing, got my faith on display  
And I got some rida's behind me, and they mean what  
they sayin'  
Knock, knock. Open up. We at yo' door. Hope you  
prepared now  
And I think it's clear now, partna' we here now  
And don't plan on goin' nowhere, consider yo'self  
infested  
And these strings all up in yo' veins, consider yo'self  
infected  
And what we say we live out, 'fo we give in we give out  
And when we die we come back, tell death he'll never  
win out  
They ain't never gon' stop us, pop us, drop us, watch us  
pop right back up  
And we never gon' die, that's why we ride 'n' rise like  
Pac got back up  
Gon' back up, call back up, everybody go home, just  
pack up  
We plugged into the highest power, that why we ain't  
gotta act tough  
No poker faces, just smokin' aces, my house is full  
My temple is a dwelling place, my Master's masterful  
You just full of yo'self, you just food on the shelf  
Eaten for breakfast, talkin' reckless, boy I know the  
chef  
You don't want what he's cookin', it's not easy to

stomach

And your words will be eaten, folks'll be readin' yo'

vomit

The recipe for disaster asks for blasphemy

And as for me, ask for me, I give you gravity
