CHORUS: This is the Chance -You Need 2 Jump Back

All The Confusion You Can Dump That (Dump That!)
We Reppin' Jesus 'til He Come back(Come Back!)

This life is it with no skins and thicks and no sense of
blood trauma
We got Jesus when they feel' they think we drunkkk,

All o' because we be wildin' and jumpin' screamin' now
REPRESENT!
Get crunk, throw it up. What's up?-Jesus! You know we
reppin' Him!
People called to chosen but our hearts were froze rollin'
with Satan, mayne!
Tryin to trust in the lust in the flesh and our eyes our
pride was hatin', mayne!
But our God is rich in mercy ' MERCY!- great in
Lovveeee!!
We were dead in sin but Christ bled for sin and that's
why He raised us upppp!
Now our life looks bright in the sight of-thee Al might ty
Christ paid the price
It's all right -He gave His life that we-all-might be saved
from our plight
And wedon'thave to guess what's next when Death
comes right up at our dor!
We'll be excited to goooo! It's the delight of our
soullllll!
That's why I'm pressin' ya'llllll! Don't-be-second
guessin', ya'llll!
Every breath we breathe inside of heaven is a blessin',
ya'll
So I ain't stressin' ya'll. This is confession, ya'llll!
Jesus is the Truth!! That's why me and my crew be
reppin', ya'llll!
(CHORUS)
Right back in the cup ' What's Up? ' I'm still goin' plead
my CASE ta' Godddd!
Christ is the Saviour by Who's sin has been erased for
ya'llllll!

Okay I'm chasin ya'll but-don't-think that I'm crazy,
braww!
Cause there's an abundance of grace that I'd like to
explain to ya'IIII!
Look! Don't trippppp!
What to eat what to drink 'cause you know God got
thissssss!

See once you know Him you're adopted innnnnnn!
At this point God is your Father Call Him Abba, Pappa,
Fadja! Fadja?! Fadja. Come on now! We're collected
and chosen ' predestined just to behold Him
Now I've got drow From my shoulders all down to my
Achilles'

I don't need money for-ever He'll self eternal
inheritance

Spiritual rags ta' riches like Beverly Hill Billies'..So I'
Spend a coupla' days and been amazed me tryin ta'
figure out the jist of this!

God saved and forgave me I ain't have ta' work a lick
for this?!!

And you might just trip on this'. aside from these
benefits

You know the God who made us from dust and plus
He'll make the change in this (body)

(CHORUS)

What an honor' despite the drama life has to offer
We follow the Father not flirty mommas and dirty
dollars

So keep the comma cause REALLY we don't believe in
thatttt

Psychic folks and horoscopes: no! we won't be needing
thattt

Hey, dawg, where Jesus atttt? Cause I been fiendin',
blackkkk!

Ta' see His face at the Second Coming. I mean in
thattttt

It's cause I'm heeding' thattt called that He gave me to
Learn His ways and turn and pass it on to a faithful few
That's why I'm lovin'-the-life that-I'm-livin'so I could
preach the Truth.

Teach the youth and I pray that, God this is reaching
You

I'm seeking toooo explain things that may seem Greek
to you

God desires our satisfaction to be in Jesus, dudeee
Believe me, you or believe you me just believe in this
A life reflecting the glory of God you need in this
In-a-moment in-a'second in-a twinkling of-an-eye
All-the dead gonna rise and we gonna flyyyyy!!

(CHORUS)
