Right now I wanna say how much you've changed my ways,  
When I look back on yesterday.  
It's been a long journey, for the lessons I'm still learning  
But I can't forget the difference you made.  
I could have been sleeping in my grave,  
But you reached down from heaven and made a way,  
It's so amazing how you changed my faith and all I can say is...

You're faithful, to me,  
Even when I've made mistakes you've always kept me  
I'm, grateful to thee coz you kept me in perfect peace  
And it's more than I could ask for.  
You're faithful, to me,  
Even when I've made mistakes you've always kept me  
I'm, grateful to thee coz you kept me in perfect peace  
And it's more than I could ask for.

The world makes promises that it can't really keep,  
It'll always let you down.  
It's only temporary, only preliminary  
But your love, it reaches all bounds.  
I could have been sleeping in my grave,  
But you reached down from heaven and made a way,  
It's so amazing how you changed my faith and all I can say is...

You're faithful, to me,  
Even when I've made mistakes you've always kept me  
I'm, grateful to thee coz you kept me in perfect peace  
And it's more than I could ask for.  
You're faithful, to me,  
Even when I've made mistakes you've always kept me  
I'm, grateful to thee coz you kept me in perfect peace  
And it's more than I could ask for.

You're faithful, to me,  
Even when I've made mistakes you've always kept me  
I'm, grateful to thee coz you kept me in perfect peace

And it's more than I could ask for.  
You're faithful, to me,  
Even when I've made mistakes you've always kept me  
I'm, grateful to thee coz you kept me in perfect peace  
And it's more than I could ask for.

I don't know why,  
You've been so faithful to me  
And so I'll just trust,  
That you'll lead me in the right way...

You're faithful, to me,  
Even when I've made mistakes you've always kept me  
I'm, grateful to thee coz you kept me in perfect peace  
And it's more than I could ask for.  
You're faithful, to me,  
Even when I've made mistakes you've always kept me  
I'm, grateful to thee coz you kept me in perfect peace  
And it's more than I could ask for.

Faithful, coz you've been so faithful,  
Coz you've been so faithful,  
Coz you've been so faithful.  
Faithful to forgive me,  
Faithful to keep me in all my ways all of my days,  
Faithful, faithful, faithful, oh...
