It was an April morning when they told us we should go
As I turn to you, you smiled at me
How could we say no?

With all the fun to have, to live the dreams we always
had
Oh, the songs to sing, when we at last return again

Sending off a glancing kiss, to those who claim they
know
Below the streets that steam and hiss,
The devil's in his hole

Oh to sail away, To sandy lands and other days
Oh to touch the dream, Hides inside and never seen.

Into the sun the south the north, at last the birds have
flown
The shackles of commitment fell, In pieces on the
ground

Oh to ride the wind, To tread the air above the din
Oh to laugh aloud, Dancing as we fought the crowd

To seek the man whose pointing hand, The giant step
unfolds

With guidance from the curving path, That churns up
into stone

If one bell should ring, in celebration for a king
So fast the heart should beat, As proud the head with
heavy feet.

Days went by when you and I, bathed in eternal
summers glow
As far away and distant, Our mutual child did grow

Oh the sweet refrain, Soothes the soul and calms the
pain
Oh Albion remains, sleeping now to rise again

Wandering & wandering, What place to rest the search
The mighty arms of Atlas, Hold the heavens from the
earth

The mighty arms of Atlas, Hold the heavens from the
earth
From the earth...

I know the way, know the way, know the way, know the
way (X2)

Oh the mighty arms of Atlas, Hold the heavens from
the earth.
