You said I was the only, With my lemon in your hand  
Exhibition is your habit, Emotion second hand.  
Had to pull away to save me, Maybe next time around  
And she said, 'don't you want it?  
Don't you want cocaine-cocaine-cocaine  
Hadn't planned to, could not stand to try it, fry it, na na  
na yeah.

Heard a cry for mercy, In the city of the damned  
Oh oh babe, damned. Down in the pits you go no lower  
The next stop's underground. Oh, hello underground.  
Wine and roses ain't quite over, fate deals a losing  
hand  
And I said: didn't mean to... did not mean to fail  
You didn't plan it, you over-ran it

You wanna do it, you wanna  
You wanna do it when you wanna  
You wanna do it, do it when you wanna

When you blow it, babe, You got to blow it right  
Oh baby, if you fake it, mama, Baby, fake with all your  
might

When you fake it, mama, Please fake it right (for  
yourself babe)

When you fake it baby,  
You're fakin' it for your life, for your life, for your life,  
for your life  
Do it, do it, do it, do it, do it, Do it when you wanna  
Do it, do it, do it, Do it when you wanna

Oh, I can have you, baby, But I don't know what to do,  
yeah  
Sometime, baby, nothin' I could do  
On the balance of a crystal, Payin' through the nose  
And when they couldn't resist you, I thought you'd go  
with the flow.

And now your stage is empty, bring down the curtain,  
baby please.

Fold up your show  
Hadn't planned to, Could not stand to fry in it  
Hadn't planned it, I over-ran it, (fryin)  
For your life, For your life.
