OH-AAAAAAHHHHHH!

Ooooooh, sometimes I get so worried,
Sometimes I get so blue.
There's just one thing'
I could never never do.
I can't, quit you, baaaaaaaaaaaaabe

Woman I think I'm gonna put you down'
For a little while.
I can't quit you babe,
I, I, I think I'm gonna put you down for a while.
I said you messed up my happy home,
Made me mistreat my, my one an' only, only, only
child!

You built my hopes so high
Baby, then you let me dooown so low.
Yoooouuuuuuu-ah-ah-ah-ah-ah-ah-ah
You built my hopes so high, then ya let me down,
ya let me down,
ya let me down so low!
Don'tcha realize sweet baby,
Woman I don't know,
I don't know which way to go!

[Awesome guitar solo]

Spoken
Mr. Jimmy Page, lead guitar

I told 'em not to worryyyyyy,
Every little thing is gonna be alright.
Baby, baby, babe, babe,
babebabebabebabe
Everything is going to be alright.

Woman, I can't quit you babe,
I think I'm gonna put you down for awhile!

[Incoherent]

I really got to OOOOOOOHHH!
(maybe)
