Ah, ah,
We come from the land of the ice and snow,
From the midnight sun where the hot springs blow.
Hammer of the gods will drive our ships to new land,
To fight the horde, sing and cry: Valhalla, I am coming!

On we sweep with threshing oar, Our only goal will be
the western shore.

Ah, ah,
We come from the land of the ice and snow,
From the midnight sun where the hot springs blow.
How soft your fields so green, can whisper tales of
gore,
Of how we calmed the tides of war. We are young
overlords.

On we sweep with threshing oar, Our only goal will be
the western shore.

So now you'd better stop and rebuild all your ruins,
For peace and trust can win the day despite of all your
losing.

Friends
(Page/Plant)

Bright light almost blinding, black night still there
shining,
I can't stop, keep on climbing, looking for what I knew.

Had a friend, she once told me, "You got love, you ain't
lonely,"
Now she's gone and left me only looking for what I
knew.

Mmm, I'm telling you now, The greatest thing you ever
can do now,
Is trade a smile with someone who's blue now, It's very
easy just...

Met a man on the roadside crying, without a friend,
there's no denying,
You're incomplete, they'll be no finding looking for
what you knew.

So anytime somebody needs you, don't let them down,
although it grieves you,
Some day you'll need someone like they do, looking for
what you knew.

Mmm, I'm telling you now, The greatest thing you ever
can do now,
Is trade a smile with someone who's blue now, It's very
easy just...

Bye bye... bye bye... bye bye...

I'm telling you now, The greatest thing you ever can do
now,
Is trade a smile with someone who's blue now, It's very
easy

It's very easy
It's very easy
It's very easy
