(Jones/Page/Plant)

And if you feel that you can't go on. And your will's  
sinkin' low  
Just believe and you can't go wrong.  
In the light you will find the road. You will find the road

Oh, did you ever believe that I could leave you,  
standing out in the cold  
I know how it feels 'cause I have slipped through to the  
very depths of my soul.  
I just wanna show what I'd give you it is from every  
bend in the road  
Now listen to me  
Oh, whoa-whoa, as I was and really would be for you,  
too, honey  
As you would for me, oh, I would share your load.  
Let me share your load. Ooh, let me share, share your  
load

And if you feel that you can't go on  
In the light you will find the road

Though the winds of change may blow around you, but  
that will always be so  
When love is pain it can devour you, if you are never  
alone  
I would share your load. I would share your load  
Baby, let me, oh, let me

In the light  
Everybody needs the light.  
In the light, in the light, in the light

Light, light, light, in the light  
Light, light, light, in the light, ooh, yeah  
Light, light, light, in the light
