From the window of your rented limousine, I saw your  
pretty blue eyes  
One day soon you're gonna reach sixteen, Painted lady  
in the city of lies.

Oh, do you know my name? Do I look the same  
You know I'm the one you want. I must be the one you  
need, yeah

Clutching pages from your teenage dream In the lobby  
of the Hotel Paradise  
Through the circus of the L.A. queens. How fast your  
learn the downhill side

Oh, do you know my name? Do I look the same  
You know I'm the one you want. I must be the one you  
need,.

Lips like cherries and the brow of a queen, Come on,  
flash it in my eyes

Said you dug me since you were thirteen, Then you  
giggle as you heave and sigh.

Oh, do you know my name? Do I look the same  
You know I'm the one you want. I must be the one you  
need.

Hours, hours, and the moments in between, Oh, baby, I  
couldn't count the times  
the fun of comin', oh the pain in leavin', Baby, dry  
those silver eyes

Oh, do you know my name? Do I look the same  
You know I'm the one you want. I must be the one you  
need,

Ooh, that's right.
