This is the springtime of my loving - the second season
I am to know
You are the sunlight in my growing - so little warmth
I've felt before.
It isn't hard to feel me glowing - I watched the fire that
grew so low.

It is the summer of my smiles - flee from me Keepers
of the Gloom.
Speak to me only with your eyes. It is to you I give this
tune.
It isn't so hard to recognize - These things are clear to
all from

time to time.

Talk Talk - I've felt the coldness of my winter
I never thought it would ever go. I cursed the gloom
that set upon us...
But I know that I love you so

These are the seasons of emotion and like the winds
they rise and fall
This is the wonder of devotion - I see the torch we all
must hold.
This is the mystery of the quotient - Upon us all a little
rain must fall.
