I had a dream, oh now
Crazy dream, oh-hoh
Anything I wanted to know
Any place I needed to go

Hear my song, yeah
People don't you listen now, sing along, oh
You don't know what you're missing now
Any little song that you know
Everything that's small has to grow
It's all growing, push push, yeah

Na na na na
California sunlight, sweet Calcutta rain
Honolulu starbright The song remains the same, ooh,
ooh, ohh-hoh
Here we go

Here we go

Are you gonna Are ya, are ya gonna go now Are ya
gonna go now Ooh ooh

Sing out Hare Hare, ooh, dance the Hoochie Koo
City lights are oh so bright, as we go sliding, sliding,
sliding, sliding through
Sliding, sliding, sliding, sliding, sliding, sliding, yi-ee-
yi-ee-yi-ee-yi-ee Ah
