Greasy slicked down body  
Groovy leather trim  
I like the way you hold the road  
Mama it ain't no sin

Talking about love  
Talking about love  
Talking about

Trouble free transmission  
Helps your oils flow  
Mama let me pump your gas  
Mama let me through your door

Talking about love  
Talking about love  
Talking about

Dig my heavy metal  
Underneath your hood  
Baby I can work all night  
Believe I got the perfect tools

Talking about love  
Talking about love  
Talking about

A model built for comfort  
Really built with style  
Special list edition  
Mama let me feast my eyes

Talking about love  
Talking about love  
Talking about

Factory air conditioned  
Heat begins to rise  
Guaranteed to run for hours  
Mama let me pull your tires

Talking about love

Talking about love  
Talking about

Grooving on the freeway  
Gauges all in red  
Gun down on my gasoline  
Believe I'm gonna crack your heads

Talking about love  
Talking about love  
Talking about

I can't stop talking about  
I can't stop talking about  
Ooh yeah Yes I'll drive on

Ooh yeah yeah yeah yeah yes I'm coming through

Come to me for service  
Every hundred miles  
Baby let me check your points  
Fix your overdrive

Talking about love  
Talking about love  
Talking about

Fully automatic  
Comes in any size  
Makes me wonder what I did  
Before we synchronized

Talking about love  
Talking about love  
Talking about

Feather-light suspension  
Koni's couldn't hold  
I'm so glad I took a look  
Inside your showroom doors

Talking about love

I can't stop talking about love  
I can't stop talking about love  
Ooh let me come down come down  
Comin' down comin' down comin' down yes  
I can't stop talkin' about  
I can't stop talking about love

I can't stop talking about love my baby
