If it keeps on raining levee's going to break
If it keeps on raining levee's going to break
When the levee breaks have no place to stay

Mean old levee taught me to weep and moan
Mean old levee taught me to weep and moan
Got what it takes to make a Mountain Man leave his
home

Oh, well; oh, well; oh, well.

Don't it make you feel bad?
When you're trying to find your way home you don't
know which way to go?
When you're going down south and there's no work to
do
And you're going on to Chicago

Crying won't help you, praying won't do you no good
Crying won't help you, praying won't do you no good
When the levee breaks, mama, you got to go

All last night sat on the levee and moaned
All last night sat on the levee and moaned

Thinking about my baby and my happy home

Going - going to Chicago
Going to Chicago
Sorry, but I can't take you

Going down - going down, now
Going down - going down, now
Going down
Going down
Going down
Going down

Going down - going down, now
Going down - going down, now
Going down - going down, now
Going down

Going dow-, dow-, dow-, dow-, down, now
