Rendest rachib, rhud rhip zelp  
Borachs un fun dehl noach, shochen zoap

Oh oh, oh yeah  
Ah ah, oh yeah

And your city will fall  
And your corn won't grow  
To the silence from the temple  
Hear the truth explode

It is written in the dust  
It is whispered in the wind  
From the wisdom of the fathers  
Where the word begins

Ah ah, oh yeah  
Oh oh, oh yeah

In the kingdom of gold  
And the stolen chance  
You can join the celebration  
See the children dance

And the bells will ring  
And the crowds will roar  
And the sand in the glass  
Can pour no more

Yallah, yallah, yallah, yallah  
Yallah, yallah, yallah, yallah

Oh oh, oh yeah  
Oh oh, oh yeah

The rivers will freeze  
And the hosts descend  
Through the fires and the storms  
To the bitter end

And the treasures and the gifts  
And the words and truths

Will be cast to the heavens  
With Oomrah fruit

Ah ah, oh yeah  
Oh oh, oh yeah

And your city will fall  
And your corn won't grow  
To the silence from the temple  
Hear the truth explode

It is written in the dust  
It is whispered in the wind  
From the wisdom of the fathers  
Where the word begins
