Lyin', cheatin', hurtin'
That's all you seem to do
Messin' around with every guy in town
Puttin' me down for thinkin' of someone new

Always the same, playin' your game
Drive me insane, trouble is gonna come to you
One of these days and it won't be long
You'll look for me but baby, I'll be gone

This is all I gotta say to you woman

Your time is gonna come
Your time is gonna come
Your time is gonna come
Your time is gonna come

Made up my mind to break you this time
Won't be so fine, it's my turn to cry
Do what you want, I won't take the brunt
It's fadin' away, can't feel you anymore

Don't care what you say 'cause I'm goin' away to stay
Gonna make you pay for that great big hole in my heart
People talkin' all around, watch out woman
No longer is the joke gonna be on my heart

You been bad to me woman
But it's coming back home to you

Your time is gonna come
Your time is gonna come
Your time is gonna come
Your time is gonna come

Your time is gonna come
Your time is gonna come
Your time is gonna come
Your time is gonna come

Your time is gonna come
Your time is gonna come
