There's a lady who's sure all that glitters is gold
And she's buying the stairway to heaven
When she gets there she knows, if the stores are all
closed
With a word she can get what she came for
Ooh, ooh, and she's buying the stairway to heaven

There's a sign on the wall but she wants to be sure
'Cause you know sometimes words have two meanings
In a tree by the brook, there's a songbird who sings
Sometimes all of our thoughts are misgiven
Ooh, it makes me wonder
Ooh, it makes me wonder

There's a feeling I get when I look to the west
And my spirit is crying for leaving
In my thoughts I have seen rings of smoke through the
trees
And the voices of those who stand looking
Ooh, it makes me wonder
Ooh, it really makes me wonder

And it's whispered that soon if we all call the tune
Then the piper will lead us to reason
And a new day will dawn for those who stand long
And the forests will echo with laughter

If there's a bustle in your hedgerow, don't be alarmed
now,
It's just a spring clean for the May Queen
Yes, there are two paths you can go by, but in the long
run
There's still time to change the road you're on
And it makes me wonder

Your head is humming and it won't go, in case you
don't know
The piper's calling you to join him
Dear lady, can you hear the wind blow, and did you
know
Your stairway lies on the whispering wind

And as we wind on down the road
Our shadows taller than our souls
There walks a lady we all know
Who shines white light and wants to show
How everything still turns to gold
And if you listen very hard
The tune will come to you at last
When all are one and one is all
To be a rock and not to roll

And she's buying the stairway to heaven
