Take time, to get away  
Free your mind, and fly away  
Take time to get away  
Free your mind, and fly away

Ooh, sometime the days get so long  
A cup of coffee just to keep you strong  
In rush hour and you're late,  
There's nothing to do, but sit and wait  
So many things are on your mind, yeah  
The start of your day, keeps passing you by,  
Oh you wanna fun place to escape,  
It's your life, you gotta do whatever it takes, yeah

Take some time, to, Free your mind, oh yeah  
Ooh, oh ooh yeah  
Sometime the days get so long, long,  
Though sometime it seems, everything is wrong, yeah  
Endless hours, you're working so hard, yeah  
In your fancy suit, exchanging business cards  
So much pressure, need to run and hide, yeah  
Get tired of the days, passing you by, ooh,  
You wanna find a place to escape, It's your life  
You gotta do whatever it takes, yeah

Take some time, to get away  
Free your mind, and fly away, oh yeah  
Everything's gonna be alright when you do it yeah,  
Ooh ooh ooh ooh ooh yeah

Take time, let go, let go  
Take time, Yeah, It's alright, Take time, take time  
Yeah yea, take a minute breathe yeah, just let go and  
Leave it there, you gotta breathe a minute, take a  
minute  
Breathe a minute, yeah, yeah, yeah, Just relax and let it  
Go, It's alright if you should know, breathe a minute,  
take  
A minute, breathe a minute, ooh yeah, take a minute,  
breathe  
A minute, take a minute, come on, oh come on, take a

minute,  
Breathe a minute, take some time, and love yourself!

[Scat]

Take your time, to get away, yeah  
Free your mind and fly away, just get away  
Everything's gonna be alright, Everything's gonna work  
out fine, when  
You do it, when you do it, yeah  
Take Time [scat] oh yeah, yeah yeah [scat]
