[Background:]

(Joy... Joy... la la la la... Joy... la da da da)

Can I be the one to bring you joy?

Let me the one to bring you joy.

Can we do this?

Make love by moonlight.

Let me hold you,

Give you what you need.

There ain't nothing I wouldn't do

To please you.

My heart is open

Don't be afraid, come to me.

Let me bring you joy.

Can I be the one to bring you joy?

So much better if you let me love you.

(I want to give you love)

Let me be the one to bring you joy

(babe)

Ain't nobody gonna love you like I do.

Kisses, starlight in your eyes.

Whisper in my ear what you like (I-I-like)

Ooh, slowly, we take our time

You caress me, I caress you, it's alright

So glad I bring you joy.

Can I be the one to bring you joy?

So much better if you let me love you.

Let me be the one to bring you joy.

(Nobody) Ain't nobody gonna love you like I do.

You won't believe all this love I have to give, to you.

Can't explain it.

Baby you'll never have to worry about a thing

This love is real (la la la la)... (la la la la)... (la la la la)

(oooooooooh, oh oh oh)
I wanna love you, love me baby
Can I bring you joooooy?

Can I be the one to bring you joy? (I wanna bring you
joy)
So much better if you let me love you. (let me love you
baby)
Let me be the one to bring you joy.
Oh, Ain't nobody gonna love you like a do (ain't nobody
gonna love you like me)

Can I be the one to bring you joy? (I wanna be...)
So much better if you let me love you.
Let me be the one to bring you joy. (I wanna love you)
Ain't nobody gonna love you like I do. (I love you so
much better, hold you in my arms baby)
