I should have known it
When I first saw you at school..
I was chasin' you around
And you were playin' me for the fool

(I should have known)
That night you waved goodbye
(I should have known)
When ya tell me all those lies
(I should have known)
That you would run away
(I should have known)
That ya had no plans ta stay..
(I should have known)
That night you waved goodbye
(I should have known)
When ya te
