da da da

Ooo oo oo

Why me
And how did I get here
What now
And where do I go
IÃfÃçâ, -Ã™ m so scared
Life ever changing
And the pain
Will it ever go
Please let me breathe
I just want to know
....the answer to why

Everyday I breathe
I just want to know
....the answer to why

In time
I will know the answer
Right now
I need to find a way
To let go of all my secrets and
Embrace the sun on my face
Today IÃfÃçâ, -Ã™ m gonna breathe
One day IÃfÃçâ, -Ã™ m gonna know
....the answer to why

Everyday I breathe
I just want to know
....the answer to why

So many questions I have
So many prayers left unanswered
ThereÃfÃçâ, -Ã™ s always a blessing
Still I am guessing
Finding my way through the dark

Everyday I breathe
I just want to know

....the answer to why

Everyday I breathe
I just want to know
....the answer to why

Everyday I breathe
I just want to know
....the answer to why

Everyday I breathe
I just want to know
....the answer to why

Oh everything changes.

I want to know why....

Everything changes.

Everything changes.

Everyday I breathe.

I just want to know
.....the answer to why.
