*Chorus

I'm taking you back to memory lane
Where we all began to say and everything and oooooo
weeeeeee

I'm taking you back to memory lane
Where we all began to say everything some say

Verse

Some say
You are so incredible
And i can't stop thinking about you
And they want to know which way to go to memory lane
And everybody wants sing, that's all

*Chorus

Rap

Let me know let me know let me know ah
Im gon tell u a story about me um and boiz soundz in
the cent of blabbin wen we were little young lads. in the
beginning wen we were a little seedlings we often used
to mingle wit the other kids easily n we made friendz
quicker then me enemies not into black girls but like
palangi's talo and me crew they all and weakling play
the moblie make sure we got home safely back then we
wasn't into girls ah me just wana to make lasa'ma'i me
often think twice about me future but all me really wana
to do is sing

Let me say

*Chorus

Bridge

Let me take you back to memory lane aaannnee
Let me take you back to memory lane aaannnee

*Chorus x1and half
