

Chemistar "Years In Reverse"

Visit "[Years In Reverse](#)" on MotoLyrics.com

White flash moves at the speed of light passed

All of the things that held it back and sets them all a blaze

Then a poise steps out of white

And launches a dance with a satellite

They vow to never come down

Together they're bound in heavenly disarray
Ooh~!~!ooh~!~!ooh~!~!

Years are in reverse
Back lash comes from a vivid flash back

All of things that held it fast

Are seeping through the luminous screen of white

And the time has all but stopped

And the hands dig into the clock

They're turning the tide counterclockwise
Backward at the speed of light
Ooh~!~!~!ooh~!~!~!ooh~!~!~!

Years are in reverse

OohÃ¢€Â|oohÃ¢€Â|oohÃ¢€Â|

Years are in reverse
Shattering in space, scattering in vain

Powerless as this glass hour fades

Shattering in space, gravity erased
OohÃ¢â€š!oohÃ¢â€š!oohÃ¢â€š!

Years are in reverse
