Come with me, (ready or not)
You're gonna jump to the music
Come with me, (it's gonna get hot)
You've got the rhythm so use it

Not everybody cooperates
An' I say if they wanna play rough
Beat 'em up, beat 'em up
Beat 'em up, oh beat 'em up...

Come with me, (reach for the skies)
Get your fists up where I can see 'em
Come with me, (dead or alive)
This is rock 'n' roll not a museum

Some people got a bad attitude

An' I say if they wanna act tough
Beat 'em up, beat 'em up
Beat 'em up, oh beat 'em up...

You'll take a lickin' an' keep, on kickin'
It's a fight we both can win
We'll stop sockin' when you start rockin'
Don't give up give in.. hey

Not everybody cooperates
An' I say if they wanna play rough
Beat 'em up, beat 'em up
Beat 'em up, beat 'em up
Beat 'em up, oh, beat 'em up
Beat 'em up, oh, oh beat 'em up...
Yeah... beat 'em up, hey hey beat 'em up
C'mon, beat 'em up, oh beat 'em up...
Beat 'em up
