Was she pretty...
Did she smear her lipstick there as good as me
Did she come for you...
Did she whisper slutty talk the way I do

Wretched and cruel...
Drownin' in a trust-suckin' whirlpool
Nothin' is pure...
But what goes.. around comes around for sure
Get off it baby, no need to fight
I'm happy ta stay here, and love you out o' spite...

I wanna see you, crawl through the dust...
Chokin' on some guilt stale jagged crust
Still you come back to me...
For a taste of sweet poison mercy

Get off it baby, no need to fight
I wanna kill you, but death would be too nice

I'd rather stay here, an' love you out o' spite...
I wanna see you crawl
I wanna see you crawl

I'll worship you until the bitter end
No ugly truth that I know we can't transcend
No pretty monsters that this misery can't mend...

Get off it baby, no need to fight
I wanna kill you, but death would be too nice
I'd rather stay here, an' love you out o' spite...
I wanna see you crawl
I wanna see you crawl

Ah-ah-ah, ah-ah-ah-ow-ow..
I wanna see you crawl..
I wanna see you crawl
Ah..., I wanna see you, crawl...

I wanna see you, crawl...
I wanna see you, crawl...
Wanna see you, crawl...
I wanna see you crawl
