They say good friends
Should never spend the night alone
So tell me, what are we doing here
Aw we're tryin' ta keep
The conversation, casual
But still, the feelings oh so clear..

Oh who do we think that we're foolin' baby
'Cause my mind is sayin' no
But my heart says.. just let go

(Dream with me)
(Hold me close an' dream with me)
(Share tonight with me..)
(Dream with me)

Darkness falls around us
Like a silent storm
The real world, seems so far away
Oh.. and no one knows, we're holdin' out right here an'
now
Ooh the more that I want you
The more that I feel afraid
It could be a dangerous game that we're playin'
'Cause my mind is sayin' no
But my heart says.. just let go

(Dream with me)
(Hold me close and dream with me)
(Just want you to be with me..)
(You don't have ta prove yourself)

(Dream with me)
(Close your eyes and dream with me..)
(Share tonight with me..)
(Dream with me)

Oh... (dream with me)
(Close your eyes an' dream with me)
(Share tonight with me)
(Dream with me)
(Hold me close and dream with me)
(Just want you to be with me..)
(You don't have ta prove yourself)

(Dream with me)
(Close your eyes an' dream with me)
(Share tonight with me..)
(Dream with me..)
