Vacant.. words..
Fall, like rain
An' softly.. crash
Down, in vain

Clothes.. are strewn
We kiss, and lie..
The naked.. truth
Sweet suicide...

We fall..., like a dyin' star...
No angel dust, no divine lust
Could stop it burnin' out
Turn down the lights my love an' fall, like a star

Like nails.. of fate
Through, a work of art..
Darkness.. creeps
Through.. this heart

Planted a weed and it grew into greed
Destroyed an' denied
Nothin' left here to feel nothin' left that is real
Just you, and I
We fall..., like a dyin' star..
No angel dust, no divine lust
Could stop it burnin' out
Turn down the lights my love an' fall, like a dyin' star...

Senses in a crush gotta clear a little dust, an' let it fade
away
Bittersweet place it's a bittersweet erase
Slowly wasting away

We fall..., like a dyin' star....
No angel dust, no divine lust
Could stop it burnin' out
Turn down the lights my love an' fall, like a dyin' star...

We fall..., like a dyin' star...
We fall..., like a dyin' star...
Fall..., like a dyin' star...
Fall..., like a dyin' star...
