Ah the street light shines through the window
Casting a pale blue light..
And the busker's lonely song
Is softly killin' her tonight
She reaches for the bottle
Reaches for the phone
Changes her mind
One more night all alone
The flowers he gave 'er
She watched while they died
Nine days in the dark
Nine days without lies

But this ain't a love song baby
Naw there's nothin' she'd change
This ain't a love song baby
Just emotional (rain...)
Rain....

Teardrops falling and sentiments calling
A whisper, to a scream
The minutes tick by an' she's prayin' that time
Really heals the heart that bleeds..

The smell of his body
On her dirty sheets
The picture inside
Of the locket she keeps
The long winded kisses
Tender embrace
Reminders of love, fallen from grace..

But this ain't a love song baby
Naw there's nothin' she'd change
This ain't a love song baby
Just emotional (rain..)
Uh-huh uh-huh uh

Maybe tomorrow..., uh-huh
Maybe she'll draw the shade...

Uh-hu-huh-hu-huh...
Nine days without lies...

This ain't a love song baby
Aw there's nothin' she'd change
This ain't a love song baby
Just emotional rain..

This ain't a love song..
This ain' no damn love song..
This ain't a love song baby
Just emotional (rain...)
Rain...

Uh-hu-huh-hu-huh...
Uh... huh...
Nine days without lies...
