running time - 3:04  
Â©1987 AboveWater/Pondwater

Wish you could find a way  
To see a new tomorrow  
Oh would you take my hand  
Or pave your path for sorrow

It's your last chance  
To turn your life around..  
Oh it's your last chance  
To put your feet on the ground...

(Too many empty hearts) bringin' the world down  
(So many bitter hearts) cryin' out loud..  
(I couldn't stand to see) another empty heart...

I know you've had your share  
Of pain despair and loneliness  
Don't say that I don't care  
I'll give you strength to pull through

It's your last chance  
To turn your life around..  
Oh it's your last chance  
To put your feet on the ground...  
(Too many empty hearts) bringin' the world down  
(So many bitter hearts) cryin' out loud..  
(I couldn't stand to see) another empty heart....

(Too many empty hearts) bringin' the world down  
(So many bitter hearts) cryin' out loud..  
(I couldn't stand to see) another empty heart....

(Too many empty hearts) bringin' the world down..  
(So many bitter hearts) cryin' out loud..  
(I couldn't stand to see) another empty heart....

(Too many empty hearts) bringin' the world down  
(So many bitter hearts) cryin' out loud..  
(I couldn't stand to see) another empty heart....

(Too many empty hearts), another empty heart...  
(So many bitter hearts)  
(I couldn't stand to see)  
Another empty heart.....
