(I can't stop, I can't go)
(I'm caught between yes an' no)

I can't stop, I can't go
I'm losin' all my self-control
Nasty thoughts goin' through my head

I can't lose, I can't win
I can't believe the shape I'm in
Gettin' tougher holdin' myself back

Ooh, it could be dangerous..
I'm goin' over the edge

(I'm goin' off the deep end)
I'm headed straight for your fire
(I'm goin' off the deep end)
But it feels so good

Ah
Too hot, to cool down
My world is turnin' upside down
Well I'm trapped, but don't let me out

Ah, I'm feelin' dangerous..
We're goin' over the edge

(I'm goin' off the deep end)
I'm headed straight for your fire
(I'm goin' off the deep end)
But it feels so good

Oh the sweet temptation..
With you there's no moderation..
This love is so far gone..., so far gone... oh..

(I can't stop, I can't go)
(I'm caught between yes an' no)
It's getting tougher there's no turning back
We're goin' over the edge...

(We're goin' off the deep end)
I'm headed straight for your fire
(We're goin' off the deep end)
But it feels so good
Oh, so good...

(We're goin' off the deep end)
Oh no, it's gettin' dangerous
(We're goin' off the deep end)
Couldn't resist, the sweet temptation
(We're goin' off the deep end)
Oh no, we're losin' all control
(We're goin' off the deep end)
Can't believe the shape I'm in
