What happened to the laughter..
Which way, did the mercy wind blow
Too long without a drop of water..
And the garden doesn't grow

Ah baby we tried but we couldn't see eye to eye
And it's much too late, to crucify ourselves
This side of Heaven, is where we are
We stumble we fall..
But we came so far
This side of Heaven
We let love go
The innocent never know...

I was so damn thirsty..
And you were always so damn weak
My cup flowed 'til it was dry and empty..
Your cup was always outta reach..

Aw baby if we coulda walked a mile in each other's
shoes...
Well we might have seen, what we stood to lose
(This side of Heaven).., is where we are
We stumble we fall...
And we bear the scars
(This side o' Heaven), we let love go
The innocent never know..

I believe.., there's a place we finally, find ourselves...
I believe.., a safer place but, I'm still searchin'
I'm still searchin'...

(This side of Heaven), is where we are
We stumble we fall...
And we bear the scars
(This side of Heaven...), we let love go
The innocent never know...

(This side o' Heaven...), is where we are
We stumble we fall...
And we bear the scars
(This side o' Heaven...), we let love go

This side o' Heaven...
I believe...
We let love go
