written by Lee Aaron, George Bernhardt & Doug Raymond

running time - 3:30

Â©1984 AboveWater Music

Don't talk because I won't be heard  
Up here no one will come to find me..  
Lost in a void of endless time an' space  
There's no way out except to wait my destiny

(Hold out)

I've got a feelin' I'll survive

(Hold out)

Come out of this one still alive

As long as I can keep believin'

It's been so long since I set foot aground  
While spinning lonely celebrate without a sound..  
Oh.. Lord what will become of me  
Well I'm spinning off into a blank trajectory

(Hold out)

I've got a feelin' I'll survive

(Hold out)

Come out of this one still alive

(Lost and gone forever)

Wish I could find my way back home

(Lost and gone forever)

Drifting away, so cold and alone..

Used to see the sun rise an' fall  
Now only blackness that surrounds me all  
My life support sustains 'til '93  
Sometimes it feels like infinity

(Hold out)

I've got a feelin' I'll survive

(Hold out)

Come out of this one still alive

(Hold out)

I've got a feelin' I'll survive  
(Hold out)  
Come out of this one still alive  
As long as I can keep believin'..
