I've been watching you from out of sight
I've been stalking your heart through the night..
With every second feel my hunger grow
Where or when it strikes you'll never know...

I take careful aim, I see you in the distance
You are the target, I can't miss....

(Step into my line of fire)
(I'm a hunter of love you're my heart's desire)
(Step into my line of fire)
(I'm comin' at you with rapid fire)

The arrow flies like lightning on your trail..
My radar's heat detector never fail..
The laser beam leaves you nowhere to hide
Ya feel it penetrating deep inside..

The current of your body, makes a magnetic field
I know you want me, so I'm breakin' through your
shield..

(Step into my line of fire)
(I'm a hunter of love you're my heart's desire)
(Step into my line of fire)
(I'm comin' at you with rapid fire)

(The arrow, of love runs through your heart)
You can't run, you can't hide
You've been overexposed, to the light o' the love....

I take careful aim, I see you in the distance
You are the target, I can't miss....

(Step into my line of fire..)
(I'm a hunter of love you're my heart's desire..)
(Step into my line of fire)
(I'm a hunter of love you're my heart's desire)
(Step into my line of fire)

(I'm comin' at you with rapid fire)

(Step into my line of fire)

(I'm a hunter of love you're my heart's desire)

(Step into my line of fire)

(I'm comin' at you with rapid fire)
