Â©1984 Pondwater Music

I've been thinkin' how I'd get along  
If it wasn't for you  
I've been wonderin', if I'd be as strong  
For what yer puttin' me through

I always try an' tell myself got nothin' ta lose  
An' you will always be mine  
When you're away it drives me outta my mind  
A losing battle with time

Because I'm lonely  
I'm lonely for your love..  
I'm lonely  
Only want your love...

I tried so hard to reach you, don't return my calls  
Well what's a girl to do  
If you don't want my love now, just don't care at all  
Jus' let me know that we're through  
I always try an' tell myself got nothin' ta lose  
An' you will always be mine  
When you're away it drives me outta my mind  
A losing battle with time

Because I'm lonely  
I'm lonely for your love..  
I'm lonely  
I only want your love...  
Ooh... oh

I wanna tell ya  
Uh, uh, uh, h-I'm waitin' for ya baby....  
Ooh, why do, why do, why do ya always, answer  
maybe....

Lonely....  
Lonely for your love...

Lonely...  
I only want your love...  
Lonely...  
I'm lonely for your love...  
Lonely...  
Lonely for your love...  
Lonely...  
Lonely for your love...  
Lonely...
