Heart is heavy, feelin' low
I needed someone ta talk to
I called him up jus' to say hello
I couldn't wait 'til tomorrow

I hear 'is voice an' he brings me down..
Somehow it seems like the magic's gone

I'm, (runnin' from the fire)
The flames are gettin' higher 'n' higher
(Runnin' with desire)
Can't ya see I'm runnin' from the fire...

Down on life, down on myself
I needed someone to make me smile
Oh just a friend but when love's on the shelf
I turn to you to stay a while

Oh what ya doin' my heart's givin' way

(Runnin' with desire) you' got me burnin'
Oh I've got to keep on

same

(Runnin' from the fire) you' got me runnin'

(Runnin' with desire) you' got me burnin'
Oh I've got to keep on

(Runnin' from the fire) you' got me runnin'

The flames are gettin' higher an' higher
(Runnin' with desire) you' got me burnin'
- Can't ya see I'm runnin' from the fire...
- (Runnin' from the fire)
You' got me runnin'
The flames are gettin' hig
