Try the impossible
Try to understand the
Way I feel about you

Try the incredible
For in trying, all of my
Dreams might come true

Try to understand you're
Everything I ever hoped for
And if you try to make it survive
Take my heart, it will be yours

I really mean it
When I tell you I'll be
At your beck and call
Tell me you want me and
Our love will conquer all

The need for you
Just to be with you
Is the reason why
I plead to you

Make the impossible
The incredible
And all of my
Dreams come true

I really mean it
When I tell you I'll be
At your beck and call
Tell me you want me and
Our love will conquer all

Oh, the need for you
Just to be with you
Is the reason why
I plead to you

Make the impossible
The incredible

And all of my
Dreams come true

Try the impossible
