The phone rang, I said, "Hello"
He said, "Can we talk baby?"
And I said, "Darlin' I'm closed for the night"
And he said, "Well, I saw a light"
Yea, but there's nobody home
I think you're lookin' for someone or somethin'
That's either missin' or gone

And I think it's time I hung a sign in the window
'Cause I'm tired, I'm so tired of my heart goin' broke
I'm goin' out of business
There's no need for you to come around
'Cause I'm closing this memory down
I'm closing this memory down

And then there was silence
You know, like there always is
When one doesn't understand
The other has nothin' left to give tonight
Let it be closin' time
We can't go on livin' like this
I think you're lookin' for someone or somethin'
That's either missin' or I just can't help you with

Ohh and I think it's time I hung a sign in the window
(Time)
'Cause I'm tired, I'm so tired of my heart goin' broke
I'm goin' out of business
(I'm goin' out of business)
There's no need for you to come around
'Cause I'm closing this memory down

You don't know how hard love worked
(Ooo)
But just how badly love hurt to fail
(Ooo)
The phone rang, I said, "Hello"
He said, "Can we talk baby?"
And I said, "Darling I'm closing this memory down"
I'm closing this memory down
