It's something so magical
Incomprehensible
Yet it's so sensible
This you and me

The snow on the street outside
That catches the blue moonlight
Why can't it always be
Forever Christmas Eve

Sparks from a midnight flame
The giggle of French champagne
A kiss sends us 'bout
Half way to fantasy

Wait, Mister Brand New Year
Why can't we stay right here
Oh, how I wish it could be
Forever Christmas Eve

A distant bell is ringing out
Across the winter land
It's singing out a song
Of things to come

And though this kind of holiday
Is not what we had planned
It's wonderful tonight

A distant bell is ringing out
Across the winter land
It's singing out a song
Of things to come

And though this kind of holiday
Is not what we had planned
It's wonderful tonight

Wait Mister Brand New Year
Spare us a little cheer
Why can't it always be
Forever Christmas Eve
