Ooh ooh ooh
Ooh ooh ooh
Ooh ooh ooh

Don't feel sorry for me
It's not like it seems
Yeah, he left this morning
But tonight I got my dreams and memories

He'll be back
He'll be back
If he's anything like his memory
He'll be back

Early mornin' kisses
Deep down hidden wishes
Old friends come to visit
(Aah aaa aaaa)
That's how I remember him to be

He'll be back
He'll be back
If he's anything like his memory
He'll be back

He'll be back
He, he'll be back
If he's anything like his memory
(Anything)
He'll be back
