Grabbed my keys, the door is locked
I turned off the coffee pot
Running late as I back out of the drive
I feel like I'm forgettin' somethin'

Feeling good, great big smile
First time in a long, long while
You ain't been the first thing on my mind
Yea, I feel like I'm forgettin' somethin'

Maybe my heart is finally healin'
Could it be I'm gettin' over you?
Baby, I'm better now at dealin'
With living life without your lovin'
Your memories down to nearly nothin'
I feel like I'm forgettin' somethin'

There's a guy at work, he's cute for sure
I've never noticed him before
Something's had me so preoccupied
Yea, but I feel like I'm forgettin' somethin'

Maybe my heart is finally healin'
Could it be I'm gettin' over you?
Baby, I'm better now at dealin'
With living life without your lovin'
Your memories down to nearly nothin'
I feel like I'm forgettin' somethin'

I'm living life without your lovin'
Your memories down to nearly nothin'
I feel like I'm forgettin' somethin'
