I heard he was gonna marry some girl from Denver  
Then my sister came over, had the Sunday paper with  
her  
There was the girl on the social page  
Lookin' in love and all engaged  
We decided she don't take a very good picture

It may be my family's redneck nature  
Rubbin' off, bringin' out unlady-like behavior  
It sure ain't Christian to judge a stranger  
But I don't like her  
She may be an angel who spends all winter  
Bringin' the homeless blankets and dinner  
A regular Nobel Peace Prize winner  
But I really hate her  
I'll think of a reason later

I drew horns and blacked out her tooth with a marker  
Childish, yes, but she made such a thin little target  
I couldn't be happier on my own  
But I've got the slightest of a jealous bone

And seein' her with him tends to enlarge it

It may be my family's redneck nature  
Rubbin' off, bringin' out unlady-like behavior  
It sure ain't Christian to judge a stranger  
But I don't like her  
She may be an angel who spends all winter  
Bringin' the homeless blankets and dinner  
A regular Nobel Peace Prize winner  
But I really hate her  
I'll think of a reason later

Inside her head may lay all the answers  
For curin' diseases from baldness to cancer  
Salt of the earth and a real good dancer  
But I really hate her  
I'll think of a reason later

*[Spoken]* Well, it was just one tooth  
Did I mention I don't particularly care for her?

She makes me sick...
