Oh, the weather outside is frightful  
But the fire is so delightful  
And since we've no place to go  
Let it snow, let it snow, let it snow

It doesn't show signs of stopping  
And I brought some corn for popping  
The lights are turned way down low  
Let it snow, let it snow, let it snow

When we finally kiss good night  
How I'll hate going out in the storm  
But if you really hold me tight  
All the way home I'll be warm

Ah the fire is slowly dying  
And, my dear, we're still good-bye-ing  
But as long as you love me so  
Let it snow, let it snow, let it snow

When we finally kiss good night  
Oh how I'll hate going out in the storm  
But if you really hold me tight  
All the way home I'll be warm

Ah the fire is slowly dying  
And, my dear, we're still good-bye-ing  
But as long as you love me so  
Let it snow, let it snow, let it snow

Sleigh bells ring, are you listening  
In the lane, snow is glistening  
A beautiful sight  
We're happy tonight  
Walking in a winter wonderland

Gone away is the bluebird  
Here to stay is a new bird  
He sings a love song  
As we go along  
Walking in a winter wonderland

In the meadow we can build a snowman  
And pretend that he is Parson Brown  
He'll say Are you married?  
We'll say No man  
But you can do the job  
When you're in town

Later on, we'll conspire  
As we dream by the fire  
To face unafraid  
The plans that we've made  
Walking in a winter wonderland

In the meadow we can build a snowman  
And pretend that he is Parson Brown  
He'll say Are you married?  
We'll say No man  
But you can do the job  
When you're in town

Later on, we'll conspire  
As we dream by the fire  
To face unafraid  
The plans that we've made

Walking in a winter wonderland
