Try and put your arms around
The 100 year old tree
Climb up on a horse
And let it run full speed
Take a look down at the world from 30, 000 feet
On your next flight

Watch a flock of birds
Against the morning sun
Close your eyes and listen
To the river run
Catch a firefly in your hand
Or a raindrop on your tongue
That's right

Chorus:
There is a God
There is a God
There is a God
How much proof do you need?

Plant a seed and see
What comes out of the ground
Find the heartbeat on your baby's ultrasound
In a few years hear it laughing,
And don't it sound like a song?

Stop and think about
What you don't understand
Things like life and love
And how the world began
Hear the doctor say he can't explain it,
But the cancer is gone

Chorus:
There is a God
There is a God
There is a God
How much proof do you need?

Bridge:
Science says it's all just circumstance

Like this whole worlds just an accident
But if you want to shoot that theory down,
Look around

Just look around

There is a God
There is a God
There is a God,
How much proof do you need?

Oh there is a God
There is a God
There is a God
How much proof do you need?
